BUILDING UNSEEN TALENT

Clusiv is the first e-learning platform built for and by people who are blind and visually impaired.

Our platform and expertise is designed to increase the value of your organization and its stakeholders.

ACCESSIBLE ONBOARDING

The Clusiv e-learning platform is designed to prioritize accessibility, which will result in a seamless experience for your organization as you train and onboard new hires and upskill current employees. Our easy-to-use platform will compliment your leadership in creating a pleasant onboarding experience.

INCLUSIVE HIRING

Our platform trains and teaches blind and low vision job seekers across the country the skills and mindset necessary to enter and thrive in the modern workforce. We have a continuously growing and evolving network of differently abled professionals who are prepared to realize your organization's mission.

FORTIFY YOUR CULTURE

Clusiv is a leading advocate for people who are blind and visually impaired in the modern workforce. When you hire, train, and upskill with Clusiv you become a member of the team. We pride ourselves in supporting not just our graduates, but also the organizations who lead the way in hiring them.

ACCESSIBLE UPSKILLING

Our proven platform is the best way for you to upskill your current blind and visually impaired employees. It is critical that we build differently abled leaders in today's world, and Clusiv has made this possible with our industry-leading technologies and guidance designed to help realize this objective.
